- **Project Management**
- **Creativity**
- Stakeholder Management
- Innovation
- Teamwork & Collaboration
- Critical Thinking & Problem Solving

A **Media Developer with 3+ years** producing multimedia training content, 3D animation, and interactive eLearning for UK defence programmes. Fluent across Unity, Unreal Engine, Autodesk Maya, Adobe Creative Suite, Articulate Storyline, and AI-assisted production workflows — with proven commercial impact from **£160k cost savings** to triple-digit social growth.

Experience

RaytheonUK
Media Developer — Defence Training (Sultan EMTC)
May 2025 – Present · Gosport, UK

- Produce training media, onsite graphics, and digital/print multimedia for MoD-regulated defence programmes (DSAT & JSP 822 compliant).
- Primary client contact for the Sultan EMTC Media Team, liaising with Training Designers and Subject Matter Experts.
- Develop storyboards, scripts, and interactive eLearning modules in Articulate Storyline and Adobe Creative Suite.
- Leverage AI-assisted generative workflows to accelerate production timelines and scale multimedia output.
- Curate the digital media archive with structured metadata and run the Media Request Tracker for full project visibility.

Babcock International
Media Developer — Defence Training (Sultan EMTC)
Oct 2023 – May 2025 · Gosport, UK

- Delivered multimedia training content — video, photography, 2D/3D animation, and web assets — for MoD-regulated programmes.
- Built interactive 3D training tools in Unity (WebGL) and Autodesk Maya, including MoD NDA-protected item-inspection experiences.
- Collaborated with Training Design teams and SMEs to identify, develop, and implement new training materials.
- Ensured all materials met MoD branding guidelines and passed regulatory compliance procedures.

Response Personnel Limited
Social Media & Marketing Consultant
Nov 2021 – Sep 2023 · Remote

- Grew LinkedIn following by **187.5%** and Facebook following by **113%** in 8 months through targeted content strategy.
- Increased Facebook page reach by **147%** and page visits by **39.8%** over the same period.
- Designed marketing and promotional materials; monitored analytics and tuned campaigns on performance data.

Position Sought

Seeking various roles as **Media Developer** , **3D Artist** , or **Graphic Designer** — also open to other roles such as **Multimedia Producer** , **Creative Technologist** , and **Learning Experience Designer** roles.

Experience

City St George's, University of London
Administrative Assistant — Research & Communications
Apr 2022 – Aug 2023 · London, UK

- Produced newsletters for three Research Institutes, coordinating with academic staff and managing mailing-list distribution.
- Maintained digital content via CMS across events, research operations, and academic training pages.
- Contributed to social media management (Twitter/X) and stakeholder engagement for university events.

University of Bedfordshire
Graduate Marketing Assistant → Communications & Projects Officer
Mar 2021 – Dec 2021 · Luton, UK

- Grew Instagram following by **24%** in 3 months; reached **48% more accounts** via posts, stories, and IGTV.
- Grew Facebook and Twitter reach by **25%** in 6 months through consistent content planning.
- Designed multi-format materials — leaflets, banners, social posts, email campaigns, logos — in Adobe Creative Suite.
- Featured as an alumni success case study by the UoB Marketing Team (2021).

Nando's
Junior Project Manager — IT & Infrastructure
Jun 2018 – Jul 2019 · London, UK

- Identified and realised **£160k annual savings** by decommissioning legacy PSTN and ADSL services.
- Coordinated delivery of **416 network switches** as Product Owner on a **£750k budget** , increasing operational capacity by **50%** .
- Supported VOIP migrations with **0% missed engineering visits** across all business units.

Marius Bejinariu
MEDIA DEVELOPER

I am a Media Developer with solid experience in 3D, training media and interactive technology. Across Defence, Higher Education and IT, I have refined my craft in 3D/2D, video production, motion graphics and brand communication.

My goal is to keep raising the bar.
I'm ready to turn complex training needs into immersive, effective media.
